Ball Machine Use

for GTBVC Members and Non-Members

1. General Policies (“GP”)

GP1

Garneau Tennis and Beach Volleyball Club (“GTBVC”) has a ball machine at the GTBVC courts at the City Arts Centre facility.

GP2

The ball machine is to be used on the first court (#1) only.

GP3

All players using the ball machine must check in with GTBVC staff prior to using the ball machine.

GP3.1

The GTBVC staff must ensure that a member or a non-member must know how to use the ball machine

GP3.2

If a member or a non-member doesn't know how to use the ball machine they must ask GTBVC staff for help

2. Policies for Ball Machine Use

BMU4

Ball machine rental is \$12 for 1.5 hours, for non-members. It is free for members of the GTBVC.

BMU5

The annual charge for the Ball Machine is \$100 for an individual or \$125 for a family (husband, wife, and children). Effective June 1, 2015. For non-members.

BMU6

If a member of GTBVC wants to share the ball machine with a non-member, the non-member must pay the applicable portion (e. g. \$6 if one person is sharing the ball machine with the club member) of the ball machine rental fee for that session.

BMU7

Players must use the ball machine if they have reserved the court for ball machine use, i.e. regular (non ball machine) play is not allowed. However, serves may be practiced for a portion of the time.

BMU8

The ball machine should be put away and all the tennis balls (check for balls outside the court area and behind the screens, as well) should be picked up and returned to the proper area by the end of the scheduled time.

BMU9

Members of GTBVC may reserve the ball machine during non-primetime hours (see below)

BMU8

The ball machine cannot be used during primetime hours (see below)

BMU9

Non-members wanting to use the ball machine may reserve a court at anytime (except primetime), and pay the applicable court fees in addition to the ball machine fee.

BMU10

Tennis balls will be located in designated area for ball machine use ONLY. This means no one will be allowed to use these tennis balls for anything else such as practice, drilling with another player, etc.

BMU11

Anyone wishing to use the ball machine will have to check out the balls designated for the ball machine and sign a check out form after their membership is cleared.

BMU12

After using the ball machine and putting the ball machine back in its proper area, the person that checked the balls out will return the balls to the designated area.

BMU13

In the event that the tennis balls are not returned and/or the ball machine is not returned to its proper place, there will be charge of \$25.

BMU14

No one is allowed to use their personal ball machine at any GTBVC court or bring their own tennis balls to use with GTBVC ball machine.

BMU15

GTBVC board and staff hope that (non) members understand and this will not be a major issue as long as they pick up the designated tennis balls, return the ball machine to its proper area and return the designated balls to the proper area.

Prime hours are every day except Saturday and Sunday from 5 PM - 10 PM
