Social Shed Use

for Garneau Tennis and Beach Volleyball Club

1. Social Shed Policies (“SSP”)

SSP1

These policies are for ALL members and guests using the social shed at the Garneau Tennis and Beach Volleyball Club (“GTBVC”).

SSP2

Any violation of the rules or conduct prejudicial to the club may lead to cancellation of membership without reimbursement of fees.

SSP3

Any communal items used from the social shed (plates, bowls, knives, cutting boards etc.) must be WASHED, DRIED and RETURNED to their original places after use. Event organizers can assign this task to volunteers/members/participants. If they fail to do this, the event organizer is responsible for completing the task.

SSP4

The property of BOTH CLUBS, Tennis and Volleyball side, must be respected in the social shed. If a non-communal item was not purchased by a member it is not to be taken or used without explicit permission.

SSP5

The fridge is a shared privilege of the club. It is to be kept clean and neat by anyone who uses it.

SSP6

Propane tanks must be marked after use. Propane tanks are to be stored in the propane cage. Half full tanks should be stored in the front and used before using a new tank.

SSP7

The social shed is to be locked at all times when not in use. Only staff members or members with special permission (by the staff currently in charge) will be allowed to enter the shed.
