## Rained Out Hours

### for Garneau Tennis and Beach Volleyball Club

# 1. Rained Out Hours Policies (“RHP”)

## **RHP1**

In case of severe rain resulting in tennis courts not being playable, the courts and Garneau Office will be closed down for the evening. The amenities in the City Arts Center will remain open until 9:30 PM. After such time no access to amenities will be allowed.

## **RHP2**

The volleyball courts will stay open as long as no severe thunder or lightning is present. Volleyball players will be granted access to amenities through the main City Arts Center entrance. If the City of Arts is closed, the amenities will be closed as well.

## **RHP3**

On weekends the Garneau Office and amenities will be open until 7 PM. After such time no access to amenities will be allowed.

## **RHP4**

The Garneau Volleyball Pro is allowed to come in for additional shifts on Sunday evenings to accommodate the 6-9 PM Drop In Volleyball. If this is the case amenities will be available to players for as long as the Volleyball Pro is present.
